Copyright 2006 Matrix Compression Technologies, LLC.

This software was developed under NASA Contracts NAS1-02057, NAS1-02117, NNL08AA00B, and NNL13AA08B, and the U.S. Government retains certain rights.

The Government, and others acting on its behalf, retain a paid-up, nonexclusive, irrevocable, worldwide license to reproduce, prepare derivative works, and perform publicly and display publicly (but not to distribute copies to the public) by or on behalf of the Government, without any obligation of confidentiality on the part of the U.S. Government. Such license extends to use by NASA contractors, and others working under agreements with the U.S. Government; provided that use of the software shall not be allowed to any person or entity where such use is not in direct performance of a contract with the United States; and provided that such use is not for internal research and development by the contractor or others that is not directly funded by the United States.

Matrix Compression Technologies, L.L.C. expressly disclaims any and all warranties, including the warranty of non-infringement, the warranty of merchantability, and the warranty of fitness for a particular purpose. Matrix Compression Technologies, L.L.C. shall not be obligated to indemnify or pay any party for consequential damages or any other damages arising from the use of the MERCURY MOM™ software. Non-U.S. Government entities shall not distribute the MERCURY MOM™ software to any third party without the express written permission of Matrix Compression Technologies, L.L.C.

NASA ITAR notice:

Note: The enclosed software falls under the purview of the U.S. Munitions List (USML), as defined in the International Traffic in Arms Regulations (ITAR), 22 CFR 120-130, and is export controlled. It shall not be taken out of the U.S. nor transferred to foreign nationals in the U.S. or abroad, without specific approval of a knowledgeable export control official, and/or unless an export license/license exemption is obtained/available from the United States Department of State. Violation of these regulations is punishable by fine, imprisonment, or both.
