1 Introduction

Portability of performance. Can a human do better? References: [5, 6], ([3, 1, 2]) as well as the invaluable language reference guide [4].

1.1 Overview of the Problem

This subsection provides a detailed description of the problem or challenge being addressed in this project.

1.2 Objectives

This subsection outlines the main objectives of the project, including key research goals or development targets.

1.3 Methodology

This subsection describes the methodology or approach taken to address the problem and achieve the objectives.

2 Backup

2.1 A

First subsection.

2.2 B

Second subsection.

2.3 C

Third subsection.
